**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support small broadband providers. I currently have competition in my area but the big providers like at&t make it hard. They constantly interrupt my service and are slow to fix breaks in their lines which is contrary to how they treat my neighbors who have broadband from at&t in the same apartment building. Without competition there would be no incentive, at least for my neighbor, to get things fixed.
